SHERMAN NURSERY COMPANY

Hardy Northern-Grown Trees and Plants

SPRING 1948

CHARLES CITY, IOWA

Air photo of Sherman Nursery Company buildings and a part of the many fields of hardy trees and plants growing at Charles City, Iowa

QUALITY OF STOCK—Our stock is carefully graded and properly packed in our large storage where it receives all possible protection. Should any part of any order be unsatisfactory to you when received, we will promptly refill and reship other stock without additional charge, provided you notify us immediately on receipt of stock.

GUARANTEE—We warrant our stock to be true to name, with the express understanding that should any not prove so, we will refund the money paid or replace it with other stock, but in no case shall we be liable for damages beyond the original purchase price.

REPLACEMENTS—Any stock failing to start to grow will be replaced at one-half price provided written notice is sent us by September 1st following planting, together with remittance covering the one-half price charge.

SEVERE TRIMMING IS ESSENTIAL—All nursery stock (excepting evergreens) must be trimmed back at planting time and watered periodically. Nature demands proper balance be maintained between the root system and top of the plant. In digging the stock, it is impossible to secure all of the roots, therefore the tops must be trimmed back to correspond.

TERMS—Our terms are cash with order. Send check, money order or draft. Please send cash registered mail. On orders of less than \$1.00, add 25c to cover cost of packing and postage.

SALES TAX—Iowa customers, please add customary 2% Iowa State Sales Tax to your remittance.

FREE PLANTING BOOKLET—Each customer will be sent one of our planting instruction booklets free when we acknowledge his order. This booklet contains planting instructions and valuable spraying calendar.

No. 1—Hardy Phlox

FREE GIFTS for ORDERING EARLY

If you send us your order for Nursery Stock EARLY, you may select Free Premiums as follows:

On Nursery orders of \$5.00, select ONE of these 6 premiums.

On Nursery orders of \$10.00, select TWO premiums.

On Nursery orders of \$15.00, select THREE premiums.

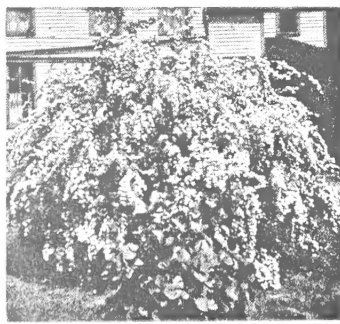

With each additional \$5.00, select one more premium.

- No. 1—2 Hardy Phlox (our choice)

Other Varieties listed (2-yr. heavy).....	.40	1.40	3.60

(Postpaid)

AGAWAM (Red)—A large, dark red grape of rich, spicy flavor.

BETA (Hardy)—Fruit medium in size, black. Has tang of wild grape. Excellent for juice. A heavy bearer, especially recommended for northern plantings.

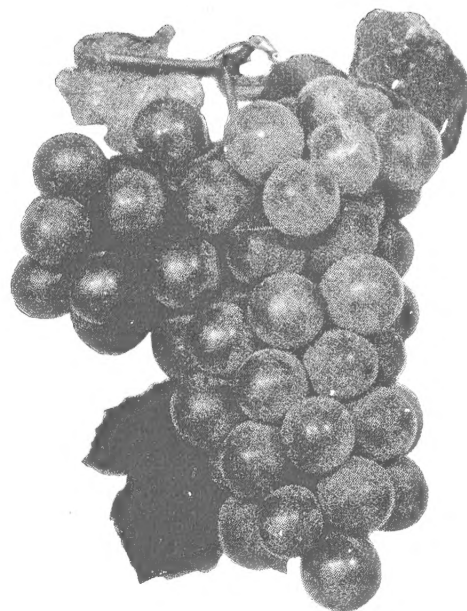

CACO (Red)—Extra large berries, rich and sweet. The finest of hardy red grapes. Very delicious, sweet flavor. Bears young and heavily.

CONCORD (Blue-Black)—The most popular of all grapes. Very productive. Berries are large, juicy, tender and of good flavor.

FREDONIA (Blue-Black)—A new, early grape, producing very high quality fruit. Ripens three weeks earlier than Concord. Ideal for home planting. Hardy.

MOORE'S EARLY (Blue-Black)—Ripens 10 days earlier than Concord. Large, blue-black berries of splendid quality. Excellent for marketing.

NIAGARA (White)—The hardiest and best of white grapes. Large berries in compact bunches. Excellent for jelly or wine. Very popular.

Concord Grape

SURE-CROP RASPBERRIES

Sherman's heavy, well-rooted raspberries bear early. No fruit is more profitable to grow, more enjoyable to eat. Space plants 3 to 4 feet apart in rows 6 feet apart.

	Per 10	Per 25	Per 100

Morrison or Sodus (Select plants).....	2.00	4.50	15.75

(Postpaid)

CHIEF (Red)—A fine, new red variety ripening about 10 days earlier than Latham. Sweet and delicious. Commands high market prices because of early fruiting.

CUMBERLAND (Black)—The largest and finest black raspberry. Immense berries are firm, juicy and extra rich flavor. One of the most reliable varieties.

INDIAN SUMMER (Everbearing Red)—The best everbearing raspberry. Berries are large, conical, medium red and good quality. Ripens early, last week in June. Autumn crop starts in September and continues until severe frost. An abundant bearer.

LATHAM (Red)—The greatest and most popular red raspberry grown. Large, handsome red berries, full of rich quality and flavor. We offer bearing-age plants that will produce heavy crops annually.

MORRISON (Black)—The largest, latest and finest Black Cap. Giant size berries, jet black and glossy. Firm, juicy and full of rich, delicious flavor. Extremely hardy.

SODUS (Purple)—A new, rich, delicious, extra special purple raspberry. Berries are large and beautiful rich wine-purple. Firm, of exceptionally rich flavor. Sweet.

Latham Raspberry

WHITNEY CRAB

SHERMAN'S HARDY

APPLES

Apples contain all essential vitamins for health and vigor. Plant summer, fall and winter apples for fresh fruit nearly year-around.

	Each	Per 3	Per 6
5-6 foot (Not postpaid)....	\$1.50	\$4.35	\$8.40
4-5 foot (Postpaid)	1.10	3.15	6.00
3-4 foot (Postpaid)70	1.95	3.60

SPECIAL PRICES FOR COMMERCIAL ORCHARDS

Commercial orchardists generally plant large quantities of small size apple trees so that they may build up the trees by pruning to the type of an orchard tree they desire.

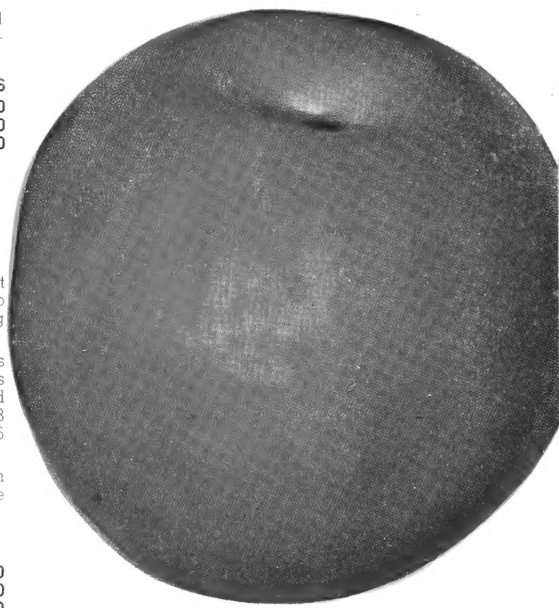

We offer to orchardists this spring two sizes of trees in any of the varieties listed on this page. The 3-4 foot trees are lightly branched and caliper 7/16 inch at the ground line; 2-3 foot trees are mostly straight whips with 5/16 inch caliper.

(Other varieties of apple trees not listed on this page are available. Write for complete list.)

Special prices on quantity orders:

	Per 25	Per 100
3-4 foot trees	\$13.75	\$50.00
2-3 foot trees	11.25	40.00

(Not Postpaid)

JONATHAN

SUMMER APPLES

ANOKA (Early Bearing)—Bears very young, often fruiting the year after planting. Ripens a few days before Duchess. Attractive yellow, streaked red. Good flavor.

DUCHESS—An excellent, early summer apple for pie, cooking and general use. Bears young and heavily. Fruit large, striped red.

YELLOW TRANSPARENT—The old favorite yellow summer apple. Very hardy and productive. Of high quality.

WINTER APPLES

BRILLIANT—A splendid, late-keeping apple of large size. Very popular commercial variety, demanding the highest prices. A brilliant, bright red color, fine grained and high in flavor. Keeps well until late spring.

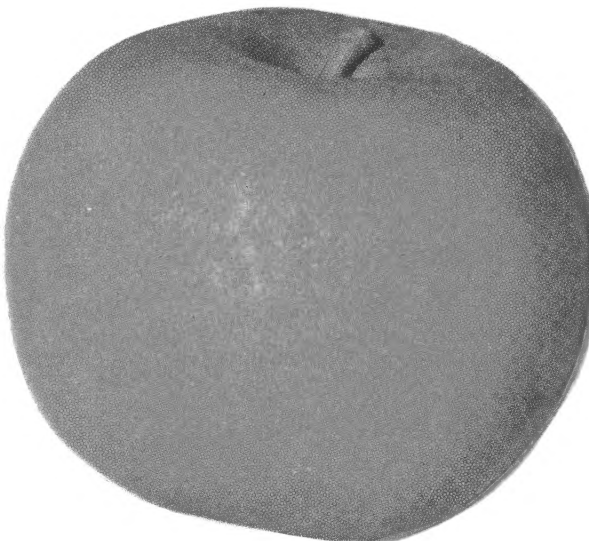

DELICIOUS—Without doubt the "perfect apple." Fruit is large, rich red with slight yellow blend, of superb quality and flavor. Has delightful aroma, tender, juicy, creamy flesh.

JONATHAN—Red. The best apple of all, know and liked by everyone. Bears young and abundantly. Bright red, high quality, crisp, tender and full of snap. Keeps well.

McINTOSH—An attractive, well colored red apple. Beautiful red skin with snow-white flesh of very high quality. Fruit keeps until late winter.

NORTHWEST GREENING—The popular, old-time, long-keeping greening. Giant in size. Yellowish-green with crisp, juicy flesh. Splendid for cooking.

SHARON—A super-fine winter apple for the North. Large, uniform fruit, attractively striped red over yellow, quality outstanding. Flesh tender, white, juicy, with mild aromatic flavor. Young, heavy bearer. Splendid for eating and cooking.

NORTHWEST GREENING

FALL APPLES

FAMEUSE (Snow)—A crimson-striped apple with snow-white flesh. Delightful flavor.

WEALTHY—One of the leading apples. Ripens in September and keeps well for several weeks. Fruit is large, striped red.

CRAB APPLES

WHITNEY—Perhaps the most popular of all crab apples. Fruit large, light yellow, striped red. Flesh crisp. Fine for eating, picking, or apple butter.

FIVE-IN-ONE APPLE

"The City Man's Orchard"

Five excellent varieties: Jonathan, Wealthy, Yellow Transparent, Red Delicious and Yellow Delicious, bud-grafted on hardy stock.

(Postpaid)

MONTMORENCY CHERRY

PLUMS

Sherman's plums bear large quantities of delicious, healthful fruit, usually the second year after planting. Plant Plum trees in clusters of three or five for best results.

	Each	Per 3	Per 6
4-5 foot (Postpaid)	\$1.75	\$5.10	\$9.90
3-4 foot (Postpaid)	1.35	3.90	7.50

OKA (Plum-Cherry)—Very hardy, and one of the best. Attractive dark-red fruit of good quality. Flesh red. Bears young and heavily.

OPATA (Plum-Cherry)—Fruit medium in size, purplish red with green flesh.

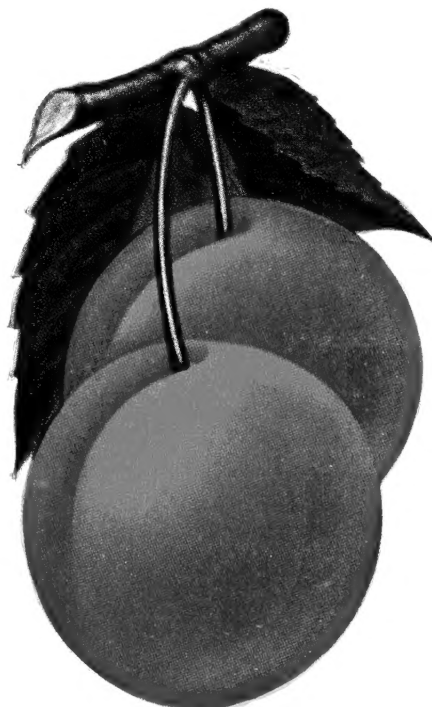

PIPESTONE—The grand, big, new purplish-red plum from Minnesota. As large as tropical fruit but all hardy. Finest quality, excellent for canning.

SAPA (Plum-Cherry)—Fruit dark red with wine-red flesh. Excellent for sauce or preserves.

SUPERIOR—One of the largest and best jumbo plums. Beautiful red color, large with firm flesh.

UNDERWOOD—Bears immense crops of large, rich red plums. Delicious and freestone.

WANETA — Really a masterpiece. Large, bright red fruit often exceeding two inches in diameter.

PIPESTONE PLUM

CHERRIES

Cherry pie is always a favorite. Our cherries bear young and each year. For best results, plant at least one tree of each variety.

	Each	Per 3	Per 6
4-6 ft. (Not postpaid)	\$2.00	\$5.85	\$11.40
3-4 ft. (Postpaid)	1.75	5.10	9.90
2-3 ft. (Postpaid)	1.35	3.90	7.50

EARLY RICHMOND—The favorite, early pie cherry. Juicy and rich flavored.

MONTMORENCY — An excellent, large red cherry. Ripens 10 days later than Early Richmond.

WANETA PLUM

"PLUM-CHERRY" TRIO

(Bargain No. 6)

Sherman's Plum-Cherries bear quickly. Not much garden space is required as these varieties grow in dwarf, bush form. Plant trees in a triangle eight feet apart.

BUTTERFLY BUSH

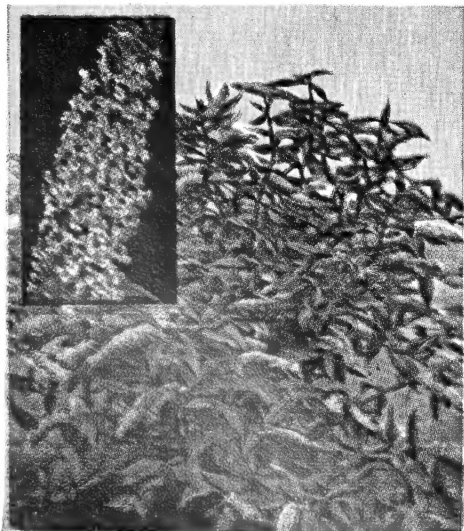

We offer three attractive Butterfly Bush (Summer Lilacs). Bloom profusely from early summer to frost. The roots are hardy, but tops die back to ground each winter, coming up more vigorously in the spring.

ILE DE FRANCE—Long spikes of dark claret-purple.

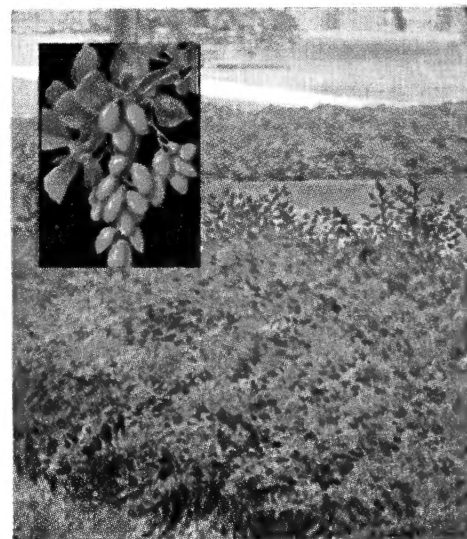

DUBONNET—Beautiful wine-red spikes.

PINK CHARMING—Large, compact pink spikes.

3 2 year heavy, 59c each **\$1.50**
Postpaid for

BUTTERFLY BUSH

RED-LEAVED BARBERRY

BARBERRY, Red Leaved—The most brilliantly colored of all shrubs. Lustrous red foliage throughout the entire summer. Red berries during winter months. Plant in a sunny location.

HYDRANGEA ARBORESCENS

HIGH BUSH CRANBERRY—A very hardy, attractive shrub bearing white flowers early in season, followed by clusters of bright red cranberry fruit.

LILAC, Josikaea—Dark, shining leaves and violet purple flowers which appear very late. Leaves long, tapering at both ends, very deep green, leathery, and waxy.

SNOWBALL—One of the best loved spring flowering shrubs. Large, ball-like clusters of snow-white flowers.

SYRINGA, Virginialis (Double)—Snowy-white, double blossoms produced in profusion over a long blooming season.

TAMARIX A shrub or small tree of very graceful form. Soft, feathery, cedar-like foliage. Dainty pink blossoms in early spring.

WEIGELIA, Rosea—Produces a mass of brilliant pink flowers in early spring. A beautiful shrub but not recommended for extreme northwest climates. Should be planted in sheltered areas.

BEAUTIFUL HYDRANGEAS

The most beautiful of all flowering shrubs

	Each	Per 2	Per 6

(Not Postpaid)

CYDONIA (Quince)—A spiny shrub with bright green, glossy leaves, large, very showy orange-scarlet flowers.

DOGWOOD, Red Branch—A very attractive hardy shrub with showy dark red bark, bearing clusters of cream-white flowers in early spring. Grows tall.

ELDER, Golden Bright yellow foliage throughout the entire summer. Planted extensively with Hansen's Purple Plum for color effect.

FORSYTHIA, Golden Bell The first shrub to bloom in the spring. Bright yellow flowers cover entire shrub before leaves appear.

HONEYSUCKLE, Tatarian—(Pink, Red or White —Please specify color of bloom)—A fine tall shrub which blooms freely and carries loads of bright red berries in mid-summer. Thrives well anywhere.

LILAC, Persian Purple—A neat growing shrub with small, attractive foliage. Profuse bloomer of purple flowers.

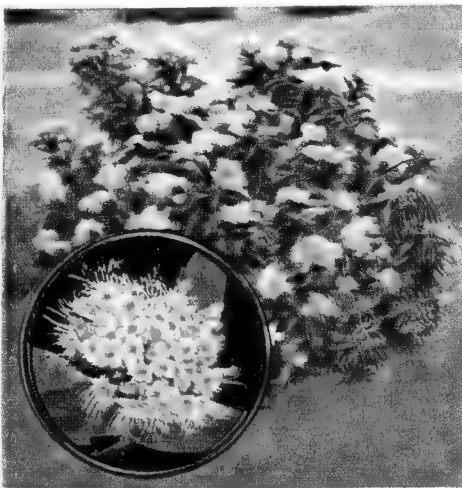

LILAC, Rothomagensis—A very popular lilac covered with masses of reddish-purple flowers.

NINEBARK—A tall shrub with spreading, often arching branches. Leaves ovate, bright green and lustrous. Flowers whitish, pods assuming a bright red color.

SNOWBERRY, Red—A graceful shrub with attractive red berries. Medium height, grows well in shade.

SNOWBERRY, White—Pink flowers in mid-summer, followed by large berries of snow white. Very showy.

SYRINGA, Grandiflora (Sweet Mock Orange)—A beautiful hardy shrub. Blossoms pure white, very fragrant. Tall.

HEDGES MAKE CHARMING BORDERS

Hedges are unsurpassed for protection, privacy and beauty. A living hedge sets off the house, makes a home not just another house in the block, but an individual place of beauty.

(Hedges are Not Postpaid)

ALPINE CURRANT—Grows very dense, perfectly hardy and disease resistant. Does exceptionally well in northern climates. The first hedge to leaf out in the spring, the last to lose its leaves in the fall. Foliage small, dark green, dense and compact.

	Per 10	Per 25	Per 100
12/15 inch	\$4.50	\$10.50	\$40.00
15/18 inch	5.50	13.50	50.00

GREEN BARBERRY—A very popular, low-growing hedge. May be used trimmed for formal effect, or allowed to grow natural in a dense round hedge. Beautiful red berries in fall.

	Per 10	Per 25	Per 100
9/12 inch	\$1.50	\$3.50	\$12.50

POTTED EVERGREENS

Grow your own fancy landscape evergreens. You may plant these small size potted trees in your garden and grow them into beautiful specimens for landscaping your home grounds. Trees have been grown in our greenhouses in a pot of dirt. The clay pot will be removed, but the pot ball of dirt will be preserved by wrapping in paper. These trees are small size, about 6/10 inches, but are certain to grow with ordinary care.

49c each; 3 for \$1.39; 6 for \$2.65 (Postpaid).

ARBOR VITAE, Globosa—Grows in a perfect ball.

ARBOR VITAE, Pyramidal—Tall, slender, pyramidal grower.

ARBOR VITAE, Shermanii—Dark green foliage, growing in rather broad pyramidal form.

JUNIPER, Irish—Narrow, columnar tree with silvery green foliage.

JUNIPER, Pfitzer—An exceptionally beautiful, flat growing tree with grey-green foliage.

JUNIPER, Savin—A tree of medium height with fan-shaped, deep green branches.

Our evergreens have been carefully trimmed, transplanted, and grown in wide rows to assure shapely specimens. They will be carefully dug with Sherman's whole root system and packed in wet moss. Plant as you would any ordinary tree or shrub.

If desired dug B&B (Balled and Burlapped), please add \$2.00 per tree to cover additional cost of digging, packing for shipment. (x means times transplanted.)

JUNIPER, Pfitzer—An exceptionally beautiful spreading tree with gray-green foliage. Graceful and very hardy.

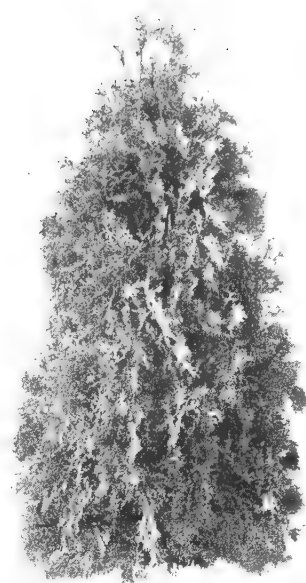

12/15 inch xxx	\$3.00
15/18 inch xxx	4.00

JUNIPER, Savin—Grows more upright than Pfitzer with fan-shaped branches. Deep green foliage.

12/15 inch xxx	\$3.00
15/18 inch xxx	4.00

JUNIPER PFITZER

PYRAMIDAL ARBOR VITAE

JUNIPER, Scopulorum—A very neat, compact pyramidal juniper with beautiful green foliage. Does not turn brownish over winter.

18/24 inch xxxx	\$4.00
24/30 inch xxxx	5.00

SPRUCE, Black Hills—The most popular of Spruce. A hardy, slow growing variety. Very dense. Dark green needles, often having bluish sheen.

18/24 inch xxxx	\$2.50
24/30 inch xxxx	3.00

SPRUCE, Colorado Select Blue—Everyone's favorite. A very graceful tree with long, silvery blue needles. Carefully selected in our nursery for silver-blue color.

18/24 inch xxxx	\$ 7.50
24/30 inch xxxx	10.00

SEEDLING EVERGREENS

Evergreens from the seedling beds will succeed well if given proper care. Trees should be cultivated and shaded during the

first summer. We suggest planting in beds about 4 by 8 feet for easy growing. Transplant to permanent locations after two years.

(Postpaid)
Per 25 Per 100

ARBOR VITAE, American—Thrifty growing tree with bright green foliage. Use for wind-breaks, hedges or ornamental plantings.

4-6 inch	\$3.00	\$10.00
10-12 inch	5.00	17.50
12-15 inch	7.50	25.00

FIR, Balsam—Attractive, deep green needles, silvery underneath. A very symmetrical, pyramidal shaped tree.

4-6 inch	3.00	10.00

SHERMAN'S

Everbloon

No flower exceeds the Hybrid Tea Rose for beauty. They will produce an abundance of large, fragrant flowers during the entire summer. Protect the plants carefully after planting, and during the winter months, by mounding up dirt eight to ten inches on the plant and covering with straw or leaves. Do not uncover too early in the spring.

Our list comprises 16 excellent varieties, carefully selected for their vigor and for colorful blooms.
